## **Rooms and Layout**

The Oasis - £400

**CAPACITY: 100 PAX SEATED**

As its name would suggest dining in our restaurant is like being in a corner of calm amongst a city of chaos. It is popular all year round as it has a cosy and tranquil feeling to it. The room itself has a lot of character; with its pillars and wooden floors it can be transformed to suit any theme or occasion.

Al fresco - £350

**CAPACITY 50 PAX**

Our newly refurbished Al fresco area has an urban vibe; with the afternoon sun beaming down, it is the perfect place for those summer evening gatherings. The Al fresco is connected to the Oasis and can be hired together at a discounted rate.

Dome Bar - £400

**CAPACITY: 100 PAX**

Our Dome Bar can help create a more relaxed atmosphere with lounge chairs and low lighting. Its dramatic ceiling centerpiece sets it apart from all our other rooms available for hire. It is the largest of our rooms and is perfect for informal events and gatherings.

Panel Room - £200

**CAPACITY: 35-40 PAX SEATED**

The panel room is great for smaller private events. It is a few metres away from the main bar, and is ideal for laid-back get-togethers as well as more formal occasions. Its classic wooden panelled walls and furniture speaks traditional English which we find is always a favourite.

Private Garden - £400

**CAPACITY 100 PAX**

For outdoor parties there is no better place, our private garden holds the recipe for a good night outdoors! With its own bar and kitchen as well as the essential private rest rooms, there is no reason to hide inside. Perfect for the summer months.
